

# PHILIPPE SCHLUP

I'm a Computer Science student at the University of Algarve, I'm excited to use my knowledge in software development, algorithms, and problem-solving to tackle practical issues. I'm now looking for an internship or entry-level job where I can continue studying professionally and contributing.

Lauro de Freitas

2018-2020

## TOOLS

- Visual Studio Code
- Visual Studio
- Visual Paradigm
- IntelliJ IDEA Excel
- Word
- PowerPoint
- AWS

## INTERESTS

I am fascinated by the fields of artificial intelligence, data science, and cloud computing. I'm excited to work, study, and contribute to new projects.

Additionally, I have profound interest for geography and travel, having visited and explored 17 countries worldwide to date. This interest in diverse cultures and locations enhances my curiosity and global comprehension.
